VisualArtsCalendar.com

An art lover events guide.

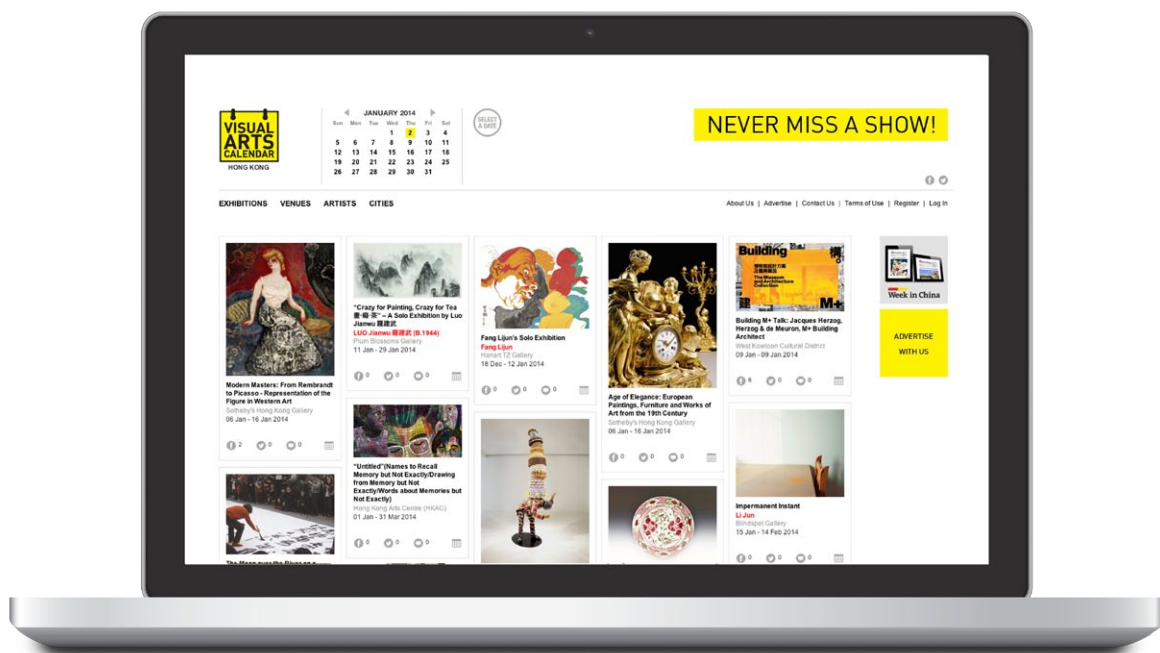

VisualArtsCalendar.com (VAC) is an online resource on visual art events.

Launched in November 2013, the site covers Hong Kong and Singapore art scenes.

The website's main feature is the calendar of exhibitions. With the wave of overwhelming online information and hectic social and personal schedules, VAC aims to present art news in the most simplest, organized and visual way possible. The website is updated daily with information on exhibitions from galleries, museums and other venues. VAC has calendar alerts so art lovers won't miss a show.

VAC also features social networking tools for maximum "Word of mouse", an electronic version of the time-tested idea of word of mouth. With online surpassing print advertising in 2013, digital advertising is the most focused and economical way for advertisers to send out your message.

The site is elegantly designed to make sure your advertising is presented in an uncluttered and pleasing way.

Below the navigation, a grid of exhibition listings is visible, each featuring an image, title, artist, and dates. To the right of the grid are three yellow 'SQUARE BANNER' placeholders. At the bottom of the screenshot, a 'LEADERBOARD' banner is shown again, along with another 'SQUARE BANNER' placeholder.
